

The continuation of affordable insurance coverage

Tailored specifically for students who are completing their studies, the Continuum Plan was created with you in mind. As a Plan that evolves with you, take the next step knowing that you can still have affordable insurance coverage.

If you are covered under your parents' plan and/or under your student associations' Health & Dental Plan, you will need to begin looking for alternative coverage in the upcoming months. Enrolling within 30 days of when your coverage ends will ensure that you continue to be covered by an affordable Plan.

What's more, by applying for Continuum within 30 days of when your coverage ends, you will be eligible to apply without having to provide proof of good health.

An insurance Plan provided by the administrator of your student Health & Dental Plan.

Continuum gives you two great coverage options:

1 Health Plan

Coverage includes health, vision, and emergency travel assistance benefits.

2 Health & Dental Plan

Coverage includes the Health Plan benefits + dental coverage. You cannot enrol for dental coverage only.

For students covered by their student Plan, we've eliminated health examinations.

Comprehensive Coverage

Great Value

Extendable Plan

No Blood Test

No Long Application

No Medical Test

Whether you've opted out of your student Plan or not, you are eligible to apply for the Continuum Plan.

If you were enrolled in your student Health & Dental Plan:

You are not required to provide evidence of good health as long as your application form is received within 30 days of when your coverage ends.

If you've opted out of your student Health & Dental Plan:

You may apply for the Continuum Plan without providing medical evidence if you were still covered by a comparable insurance plan and are able to provide proof of your coverage (subject to review and approval by the insurer). Your application form and proof of coverage must be received within 30 days of when your coverage ends.

¹ The Plan covers most medications legally requiring a prescription and is reimbursed at the rate of the lowest priced equivalent generic product.

Reimbursement will be made for eligible expenses that are not covered by the insured's provincial health-care plan.

If you are a resident of Quebec, you are required to be covered under the Régie de l'Assurance Maladie du Québec (RAMQ) or an equivalent group plan, which is the first payor for your prescription drugs. Continuum will be second payor to comply with legislation from the RAMQ.

Reimbursement for dental expenses will not exceed the fee stated in the Dental Association Fee Guide for general practitioners in the province where the treatment is received.

Dental Plan Policy Year Maximum: \$500 in your first Policy Year, \$750 in your second and subsequent Policy Years.

Eligibility

These Plans are available exclusively to students who:

- are, or were, eligible for group benefits with their student association;
- are residents of Canada;
- are under the age of 65;
- are covered under a provincial medicare plan or federal government plan that provides similar benefits.

Coverage for you and your family

You're not the only one eligible for coverage! You can add your spouse² or dependent children³ with you to your Plan.

² Spouse means your spouse by marriage or under any other formal union recognized by law, or a person of the opposite sex or of the same sex who has been cohabiting for at least one year and who is represented publicly as your spouse. Only one person at a time can be covered as your spouse under this contract.

³ Your children and your spouse's children (other than foster children) are eligible dependants if they are not married or in any other formal union recognized by law and are under age 21. A child who is a full-time student attending an educational institution recognized under the Income Tax Act (Canada) is also considered an eligible dependant until the age of 25 (age of 26 for dependants residing in Quebec) as long as the child is entirely dependent on you for financial support.
